Beth Behrs Solution

The Big Bang Theory
Thursday at 8 p.m. on KVAL

A number of parents turn up on the concluding episode of the comedy's ninth season, including one who hasn't been seen before: Leonard's (Johnny Galecki) father, played by veteran actor Judd Hirsch ("Taxi," "Ordinary People"). Among those who have appeared previously, Christine Baranski — fresh off "The Good Wife" — and Laurie Metcalf ("Roseanne") return as Leonard and Sheldon's (Jim Parsons) mothers respectively. Kaley Cuoco and Simon Helberg also star.

The Last Man on Earth
Sunday at 9:30 p.m. on KLSR

The reunion of siblings Phil and Mike (Will Forte, guest star Jason Sudeikis) really catches fire in the comedy's second-season finale, "30 Years of Science Down the Tubes." All of the survivors get a huge surprise, which is more than likely to play into the third season — for which the show has been renewed. Kristen Schaal, January Jones, Mel Rodriguez, Mary Steenburgen and Cleopatra Coleman also star.

Castle
Monday at 10:01 p.m. on KATU, KEZI

Whatever transpires in the mystery's eighth-season finale, "Crossfire," you can bet on it being significant for Stana Katic's character, Kate Beckett. The actress' contract for the show wasn't renewed, so one way or another, Beckett will make her exit here. (The same goes for Tamala Jones and her alter ego, Lanie Parish.) The effect also will be sizable on Castle (Nathan Fillion) while in pursuit of Lok-Sat. Jon Huertas and Seamus Dever still co-star ... we think.
