Athletes to be honored for excellence Friday

Forty-one high school athletes from Siuslaw and Mapleton high schools will be honored Friday, June 3, during the fifth annual Athletic Recognition, Evening of Excellence at Siuslaw High School.

The event is organized and co-sponsored by the Sports Club, a group of area businesses that promote the "Athlete of the Week" in Siuslaw News and on Coast Radio each week during the school year.

The other co-sponsor is the Siuslaw Athletic Booster Club, which participates as a way to further recognize the accomplishments of not only the student athletes, but also their families and friends who support them through the year. Finalists for the male and

femal Athletes of the Year will be announced prior to the evening, with the male and female Athletes of the Year announced that night.

The evening will depart from past years in that it will feature desserts and there will be no admission charge.

It is open to all who wish to attend and honor all 41 student athletes.

The broad array of desserts will be catered by Kyle Lewis and the Culinary Arts Class at Siuslaw; with service provided by the Siuslaw High School Leadership class.

Entertainment will be provided by the Siuslaw Cheer Team.

Doors open at 6:30 p.m. The program will conclude no later than 8:30 p.m.

"Free Fishing Weekend is a great opportunity for families to get out and enjoy a day or two of fishing," said Rick Hargrave, administrator of ODFW's Information and Education Division. "Lakes and ponds are fully stocked, a number of rivers are open — and don't forget about the coast for crabbing and clamming."

As in years past, ODFW is teaming up with the Oregon State Parks Department to encourage people to explore Oregon's parks and outdoors by waiving fees and offering a plethora of recreational activities, including fishing events, nature walks and specialized outdoor-related workshops.

Several state parks will be hosting ODFW Free Fishing Weekend fishing events and waiving park admission and camping fees on "State Parks Day," this Saturday, June 4.

Along with Free Fishing Weekend events taking place on Saturday, June 4, most locations will offer free fishing gear, bait and instruction provided at no charge to participants. Some events will have additional activities for kids and people with disabilities.

Near Florence, Cleawox Lake and Honeyman State Park will be offering a special fishing event from 9 a.m. to 2 p.m.

For more information, contact Christine Clapp, 541-265-8306, ext. 253.

For those who prefer a little more solitude, there are dozens of other lakes, ponds, streams and ocean waters around to explore.

Many are listed on ODFW's website at www.odfw.com under the tab "Free Fishing Weekend."

If fishing isn't your gig, state parks throughout Oregon are inviting the public to camp and play for free this Saturday, in celebration of State Parks Day.

Camping is free the night of June 4 in traditional sites, including full hookup (sewer, electricity and water), electrical hookup (electricity and water), and tent sites.

For day trippers, parking is free both June 4 and June 5 at the 26 Oregon parks that charge a day-use parking fee.

Campsite reservations may be made by calling 800-452-5687 before 5 p.m. on June 3, or reserve a spot online at www.oregonstateparks.org.

Keep in mind that while the campsite rental is free, an \$8 nonrefundable reservation fee still applies. Of the 52 state park campgrounds, 42 take reservations.

"State Parks Day is our way of thanking Oregonians for their commitment to our state parks," said Oregon Parks and Recreation Department Director Lisa Sumption. "We invite Oregonians to come out and explore a new park or visit an old favorite."

The Oregon State Legislature established Oregon State Parks Day in 1997 to focus public attention on Oregon's state park system. The event is always the first Saturday in June.

Parks throughout the state will host activities including guided hikes during National Trails Day, June 4, plus open houses, tours, special barbecues and guest appearances by J.R. Beaver, Oregon State Parks' mascot.

The popular Silver Falls State Park, east of Salem, will have free refreshments, a guided waterfall tour and its annual Foot Race Challenge, with a 5K, 6-mile and kids' race.

Stub Stewart State Park west of Portland will host a volunteer work party in the morning, followed by free lunch at Hilltop Day-use Area, a guided bike ride, scavenger hunt, skins and skulls display and more.

See a fur trappers' encampment at Champoeg State Heritage Area. Walk among the tents and work stations, ask questions of the interpreters and watch demonstrations of trapping, shooting, cooking and packing for the fur trade.

Visitors will also be able to fish, crab and clam without a license on June 4 and 5.

Meet Marley

Marley came into the shelter very emaciated and missing hair due to a bad yeast infection. With good food and medication he is getting better. It is unclear at this time if his hair will ever fully come back. The family had an older dog at one time and they got along well, they were unclear if he would do well with dogs his own age. He has a lot of energy and would do best in a home with children 12 and up.

No cats
 Children 12yrs and up ok
