Regular priced items at Laurel Bay Gardens. Good through 5/31/16.

Lisa's Avant Gardener Tips of the Month

- Plant drought-tolerant sedums and grasses in areas hard to water
- Fertilize shrubs and trees with a complete slow-release fertilizer
- Add bark mulch and compost to your beds to conserve water and keep plants healthy. Check out our blended mint compost, it's the best
- Plant summer bloom vines next to trees for a "flowering" tree
- A simple irrigation system can save you water and increase plant & lawn health
- Come ask our knowledgeable staff all your yard & gardening questions!

"We're glad to get you growing!"
