"It's never easy choosing just two individuals from a group of so many outstanding student athletes who have contributed so much of themselves all year," said KCST news director Bob Sneddon. "Deciding on the best of the best this year was no exception.

"All of these athletes played a major role in their

teams' successes while, at the same time, accomplishing their own achievements in athletics as well as academics.

"We're proud to have this chance to recognize these outstanding student athletes."

At the close of last night's awards ceremony, which included desserts prepared by Siuslaw High School culinary students and served by members of the school's PRIDE program, Siuslaw seniors Mikaela Siegel and Kenneth Thrall were named the 2016 Athletes of the Year.
