Destiny Weber

PARENT(s): Mirena Weber
 FAVORITE HIGH SCHOOL MEMORY: One of my favorite memories in high school had to be this year when the middle and high school took a two day trip out to Camp Baker. I may have been in the kitchen the whole time while others were enjoying the multiple activities that were provided. I decided to help make lunch the first day and went in early with a few of the staff members to make a surprise breakfast for all the students and the rest of the school staff. It was a true blessing to be able to do something like that for other people!
 BEST ADVICE RECEIVED: No matter how hard school is, you can push through.
 PLANS AFTER GRADUATION: I have already been accepted into North West School of Beauty
 HOPES, DREAMS & ASPIRATIONS: Years ago I wanted to be a doctor, but a few years ago I realized that I wanted to go to a cosmetology school after I graduate.
 GOOD ADVICE FOR UNDERCLASSMEN: Ask yourself if what you're doing today is getting you closer to where you want to be tomorrow.
