The competition wraps up as the show ends its season with the two-hour presentation "Tired Out/Over the Falls." First, the contestants must meet four challenges to get to the next round — which tests their stamina by suspending them upside-down over a waterfall and crossing a wire hand-over-hand. Anyone still with the energy for it gets to tackle "The Circus" not once, but twice. The winner may not be awake to enjoy the possible \$1 million prize. John Cena hosts.
