

HERB ENTHUSIASTS TO TAKE ANNUAL FIELD TRIP

On Thursday, July 21, Herb Enthusiasts will take its 12th annual field trip to Thyme Garden in Alsea. For this event, there is a maximum attendance of 25. Those who haven't signed up yet need to do so by the June 16 meeting or by email.

The tour and luncheon normally last about three hours. The cost is \$30 per person and includes gratuity. Payment reserves a place for the event and only 12 spots remain.

While strolling through the display gardens, a guide describes the herbs' folklore and medicinal uses, as well as their culinary uses, which participants can enjoy while dining al fresco.

A typical luncheon includes salad artfully adorned with edible flowers and herbs, along with herbal teas and lavender lemonade. This is accompanied by three choices of homemade herbal breads and an array of herb butters and spreads.

The main courses include a choice of fresh salmon baked

in Papillote with a dill and caper sauce, sautéed fresh green beans with basil and pine nuts, and homemade herbal pasta. A favorite is spaetzle made with Rolfe's grandmother's 100-year-old

spaetzle maker.

This is followed by an herb-themed dessert.

The day of the event, participants will meet on the north side of Fred Meyer's (near the recycling area).

Those who have not already arranged to carpool are paired up with drivers who have space.

The group will leave by 9:15 a.m. and arrive at Thyme Garden about 11 a.m.

8th-graders celebrate Tuesday

The Class of 2020 Eighth-Grade Celebration will be at Siuslaw Middle School, 2525 Oak St., on Tuesday, June 14, from 6 to 8 p.m. All eighth graders are invited to come celebrate the end of middle school and experience a fun send off to high school.

It's a glow-in-the-dark theme, so all students should

SOS helps SHS seniors prepare for life on their own

Siuslaw Outreach Services (SOS) Housing Assistance Manager Bob Teter in May taught a session on life after graduation to Siuslaw High School seniors in Sean O'Mara's economics class.

The session gave students tools to help them have a successful rental experience. The class covered such things as how to budget for rentals, search for the rental that best fits their situation, screening potential landlords as well as understanding the components and types of rental contracts there are.

Teter addressed the importance of documenting and keep up good relations with landlords. He also talked to students about possible issues that come with having roommates, as well as subletting and how to prepare and protect themselves both financially and legally.

This was the first year SOS hosted this session for

It was clear by the students' response that a similar
