

Emeralds from 1B
Manager Allan Benavides. "The Cubs continue to be

strong contenders at every level of professional baseball, and we are honored to have Eugene be the launching point for a new generation of Cubs play-

ers. "The support and camaraderie we've received from Jason McLeod, Jaron Madison and the Cubs Front Office has

been top notch. It's a privilege to be a member of the Cubs Family and we are very excited for the future."

Eugene and Chicago began in 2015. Eugene was previously a Cubs affiliate in the 1999-2000 seasons. The Emeralds will open their

season this Friday, June 17, when they host the Boise Hawks, beginning at 7:05 p.m., in Eugene at PK Park.

Fishing from 1B

July but fish can be found throughout the mainstem at any time now. Casting spinners, drifting bait or using a bobber and jig can be effective. Cover water and fish small and simple as the river conditions are low and clear.

Cutthroat trout opened May 22 and can offer anglers of all experience levels good opportunity. Casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

SIUSLAW RIVER: The river is now open to all fishing or cutthroat trout. This fishery can offer anglers of all experience levels good opportunity. Casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

WILSON RIVER: Steelhead, Chinook, cutthroat

Fishing for steelhead and spring Chinook is slow. More fish should be moving into the river. The water is low and clear, so use lighter gear and target the deeper holding areas. Trout season is now open.

YAQUINA RIVER: Steelhead The river basin is now open to all fishing, including above the head of tide.

COOS COUNTY LAKES and PONDS: Trout, warmwater fish

Legal size trout were stocked this month into Powers Pond, Empire Lakes, Bradley Lake, Butterfield Lake, Saunders Lake, Srul Lake, and Tennile Lakes.

Anglers that catch a tagged trout in Empire Lakes can

report the tag number to ODFW by stopping by the Charleston Office, calling 541-888-5515, or report tags online.

A few of these tags are worth a \$50 gift card. Fishing in the area lakes for trout has been ok with anglers having the best success using small spinners, spoons, or garlic flavored Powerbait. The daily trout bag limit in these lakes is five trout per day with only one trout over 20 inches.

There are trout available for kids in the Millicoma Pond at the Millicoma Interpretive Center and fishing is excellent. Millicoma Pond is set aside for kids fishing only and is a great chance for them to hook into fish.

Call before traveling to Millicoma Pond to make sure the gates are open. The phone number is 541-267-2557.

Largemouth bass and bluegill fishing is picking up with the warmer days. This time of the year bass and bluegills will be found in shallow water typically near a weedline or structure. Plastic worms, shallow crankbaits, and spinner baits are good to use for bass.

Bluegills will bit on worms, small jigs, or flies.

COOS RIVER BASIN: Dungeness crab, bay clams, rockfish

Trout season is now open in rivers and streams.

Anglers have been catching rockfish along the jetties and submerged rock piles. An occasional ling cod is also being caught in the bay. The marine fish daily bag limit for bottom fish (rockfish) is seven fish and a separate daily limit for lingcod (two). Anglers can only keep three blue rockfish and one canary rockfish as part

of their daily limit and there will be no harvest of China, quillback or copper rockfish.

Retention of cabezon is prohibited through June 30.

Crabbing has been decent with the best crabbing near high tide. There has been a mixture of hard shell and soft shell crab in the catch. It is still recommended you discard the crab viscera (guts/butter) before cooking.

Recreational harvest of bay clams remains open along the entire Oregon coast.
