July 4 needs volunteers, donations

Florence Area Chamber of Commerce's Fourth of July Celebration is right around the corner, and chamber representatives are working hard to bring activities and fireworks to the community that Monday.

"We are in dire need of volunteers the day of the event to secure the Port of Siuslaw area for the fireworks," said chamber Executive Director Bettina Hannigan.

In all, the chamber needs 14 volunteers at various points of the day and evening help make the event happen.

Hannigan said, "The port has been very generous in sharing its property for fireworks launching. We the Chamber and local community need to provide security to insure that the clearance area around it is safe."

The fireworks are sponsored by local businesses and community members.

For more details or to donate, contact Hannigan or Events Coordinator Nancy Pearson at the Visitor's Center, 290 Highway 101, by calling 541-997-3128 or by going to florencechamber.com.
