Downtown Revitalization Team's floral baskets are full-to-bursting in Historic Old Town. City of Florence Public Works installed the baskets in April. "They're still growing," spokesman David Wiegand said. The team, sponsors, Public Works and local officials, who gathered last Wednesday to view the baskets' progress, are encouraged by the success of the project. Sponsor Mary Kadel said, "I think they're beautiful. It's a wonderful, friendly feeling to walk along here and see these baskets."
