

# Oregon Coast Aquarium seeks summer volunteers

NEWPORT — Each year, more than 400,000 visitors to Newport make the Oregon Coast Aquarium part of their travel itinerary. Because the facility is so firmly rooted in Newport's tourism scene, this summer the aquarium is seeking concierge volunteers to connect visitors to attractions both inside and outside its grounds.

Concierge volunteers (CVs) welcome guests warmly and build rapport by offering "insider tips" and knowledge about the aquarium and its exhibits. Additionally, CVs interact with departing visitors by answering questions, providing information about travel needs such as lodging and eating accommodations, and suggesting other local attractions

and tourist activities to enjoy. As the busy summer season gets underway, CVs "will play an integral role in ensuring that guests get the most out of their visit to the area," said Beth Hawkyard, volunteer services manager for the aquarium. New CVs will receive a crash-course training which includes customer service, aquarium facility orientation,

overview of special tours, education programming, community events and activities, organization partners/affiliations and local accommodations. This position is ideal for volunteers who wish to enhance visitors' experience both at the aquarium and in Lincoln County generally by sharing their enthusiasm and knowl-

edge of the area. The seasonal position lasts throughout the summer until Labor Day weekend, and consists of at least one weekly shift between to 4 hours long. Those interested in becoming a concierge volunteer can contact Volunteer Services at 541-867-3474 ext. 5316 or register online at [aquarium.org/support/volunteer/](http://aquarium.org/support/volunteer/).

The Oregon Coast Aquarium is dedicated to the highest quality aquatic and marine science programs for recreation and education so that the public better understands, cherishes and conserves the world's natural marine and coastal resources. Visit at 2820 S.E. Ferry Slip Road, Newport, Ore., and at [aquarium.org](http://aquarium.org).
