Siuslaw Alumni awards scholarships

Siuslaw Alumni Association (SAA) scholarships are given each year to graduating seniors who plan to attend a college and/or trade school.

These scholarships are solely supported by donations to the SAA Scholarship Fund and by all proceeds from the All-Class Reunion Banquet Raffle, held the second Saturday in September.

This year, SAA awarded two 2016 scholarships, each for \$3,500.

Hannah Bartlett, a 4.0 student, will be attending George Fox University in Newberg, Ore., and then transferring to Oregon State University to study physical therapy.

While attending Siuslaw, she was the junior class president, a member of the National Honor Society and participated in Leadership Class, Key Club and Interact Club.

Bartlett organized a community-wide clothing drive for the needy with funds received going to the student body for a motivational speaker at the school. She also found time for sports, playing on the softball team and being voted volleyball MVP this year.

Mikaela Siegel will be attending the University of Idaho in Moscow, Idaho, and

She was very involved in activities to help her community, including Habitat for Humanity, the humane society, Florence Food Bank and a homeless shelter with Operation Christmas Child.

An accomplished athlete,

Siegel repeated as the 4A state girls 100-meter hurdles champion, was a member of the state champion cross country team and got to run on the winning high school 4x400 relay team at the IAAF World Championships in Portland.

Siegel has been accepted as a walk-on at the UI for track and field.

'Feed Your Mind' at Summer Reading program

In conjunction with the Siuslaw Public Library's Adult Summer Reading program, the Friends of the Library will hold a free fun-filled food and game event.

This "Feed Your Mind," event will be Tuesday, July 19, from noon to 3 p.m., in the Bromley Room at the main branch on Ninth Street.

In keeping with this year's Adult Summer Reading theme, "Exercise Your Mind," the Friends are featuring food and games to feed your brain.

Games planned for the event include Sudoku, puzzles and other brain exercising games. A fun and friendly Scrabble tournament for competitive word lovers will also be organized.

Food offerings will highlight those known to feed the brain, including salmon, walnuts, flax seed, beans, whole grains, greens, blueberries and dark chocolate.

All lunch dishes will be prepared using recipes from the library's extensive cookbook

collection. As this event will strive to be a zero-waste event, food will be served on earth-friendly Durable Dishware from the Florence Master Recyclers.

The Friends of the Library "Feed Your Mind" event is open to the public; everyone is invited to eat, think and be merry.

For more information, visit the Siuslaw Public Library in person, call 541-997-3132 or visit the library's website at www.siuslawlibrary.org.
