NOTICE OF RECEIPT OF BALLOT TITLE
Notice is hereby given that a ballot title for a City Council referred measure was filed with the Elections Officer of the City of Dunes City on July 18, 2016.
Electors may submit a petition for review of this ballot title in the Lane County Circuit Court no later than 5:00 p.m. on July 21, 2016.
The text of the ballot title is as follows:
CAPTION: City tax on recreational marijuana retailers' sale of marijuana items
QUESTION: Shall Dunes City impose a tax on sales of marijuana items by recreational marijuana retailers in the city?
SUMMARY: If adopted by the voters, this measure would impose a city tax on sales of marijuana items (including marijuana, marijuana products and marijuana extracts) by recreational marijuana retailers licensed by the Oregon Liquor Control Commission and located within the City of Dunes City. The City Council would have the authority to set the amount of the tax, but under no circumstances would the tax exceed three percent of the retail sales price of a marijuana item. The tax would be collected from consumers by recreational marijuana retailers at the point of sale. Recreational marijuana retailers would remit the tax to the City. The city tax would be imposed in addition to any state taxes on the sale of marijuana items. The city tax would not be imposed on medical marijuana sales.
Notice is also hereby given that a regular city election will be held in the City of Dunes City on November 8, 2016.
Published pursuant to ORS 250.275

On account of being a democracy and run by the people, we are the only nation in the world that has to keep a government four years, no matter what it does.
—Will Rogers

The wise man will love; all others will desire.
—Afranius

Democracy is the recurrent suspicion that more than half of the people are right more than half the time.
—E. B. White

Democracy is the theory that the common people know what they want and deserve to get it good and hard.
—H. L. Mencken

The idea of an election is much more interesting to me than the election itself...the act of voting is in itself the defining moment.
—Jeff Melvoin

In democracy it's your vote that counts; in feudalism it's your count that votes.
—Mogens Jallberg

There is a theory which states that if ever anybody discovers exactly what the universe is for and why it is here, it will instantly disappear and be replaced by something even more bizarre and inexplicable. There is another theory which states that this has already happened.
