

GENERAL NEWS

ODOT to host public meeting on Yachats project

YACHATS — The public is invited to attend a meeting with ODOT and the City of Yachats for more details about the upcoming Highway 101 improvement project.

Construction is scheduled to begin in September.

The project includes both sides of Highway 101 from Seventh Street to Ocean View Drive.

Improvements include construction of sidewalks, crosswalks, bike lanes, parking, underground utilities and drainage improvements.

Construction plans will be available for review.

The meeting will be Wednesday, Aug. 10, at 7 p.m., in The Commons Multi-Purpose Room, 441 N. Highway 101, in Yachats.

The construction process will be discussed, including methods to minimize impacts to businesses and patrons during the construction period.

For information prior to the meeting, visit www.yachatsmainstreet.com and view information, maps and projections, or email Yachats Planner Larry Lewis at larry@mail.yachatsoregon.org.

Realtors plan food drive Aug. 13 at Bi-Mart

Saturday, Aug. 13, from 10 a.m. to 4 p.m., will mark the Central Oregon Coast Board of Realtors (COCBR) second annual community food drive in cooperation with the local Florence Bi-Mart store.

Various Bi-Mart stores and Realtors throughout Lane County have been participating in this summer effort to provide food for the hungry of Oregon for the past six years.

Last summer's food drive — the first for local Realtors and the Florence Bi-Mart — was a great success for which COCBR expresses gratitude and appreciation to all Florence participants.

Everyone is encouraged

The Central Oregon Coast Board of Realtors will host its second annual community food drive Saturday, Aug. 13, at the Florence Bi-Mart, 4310 Highway 101.

again this year to stop by Bi-Mart and make a generous contribution to this important community effort. All food contributed will be presented to Florence Food Share for distribution among the members of the Florence community.

In addition to food, financial gifts toward hunger can be given to Realtors present at Bi-Mart. Florence Food Share can provide three meals for every single dollar contributed at the food drive.

Mark your calendars now so that Saturday, June 25, has a trip to Bi-Mart in your plans to help local Realtors raise both food and funds for neighbors in need. Look for the smiling faces wearing the blue T-shirts with the big white "R" to assist you and answer all your questions about the food drive.

Hydrant water flow tests this week

Siuslaw Valley Fire and Rescue will be conducting fire flow tests with Heceta Water PUD in the area north of Mercer Lake Road, including the Collard Lake Road area, on Tuesday, Aug. 9, and Wednesday, Aug. 10, beginning at 9 a.m.

Fire Marshal Sean Barrett said, "The fire district is working on getting a better Insurance Services Office (ISO) grading that will affect

the fire insurance rates of the entire district. A major part of that grading is flow testing the water systems."

The ISO rating is a number that reflects the overall effectiveness of the department.

Barrett also said there is a possibility of dirty water being produced due to the scouring of the water mains.

"We will do our very best to minimize this problem," Barrett said.

Should dirty water occur, residents are asked to refrain from washing laundry or performing other clean water activities until the water clears up, usually within six to 12 hours.

"Thank you or your patience and understanding during this project," Barrett said.

Residents are asked to notify Heceta Water PUD at 541-997-2446 should they experience dirty water.

‘Vision for 2025’ to be presented at PFLAG

Russ Pierson, director of Lane Community College Florence Center, will present a vision for the region Aug. 9, during the monthly PFLAG meeting at the Siuslaw Public Library.

The information was compiled by civic, community and business leaders during a two-year process.

The meeting, free and open to the public, starts at

6:30 p.m. in the Bromley Room.

Refreshments will be served.

The Siuslaw Regional Visioning Process, underwritten by the Ford Family Foundation, produced a working document and its direction and recommendations are overseen by a group of "Vision Keepers" who meet regularly.

PFLAG, which was an invitee to the process, hopes anyone interested in how the LGBT and Ally community can contribute to the region's vitality will join in for this special presentation.

PFLAG is the country's largest organization for parents, families, friends and straight allies united with people who are lesbian, gay, bisexual or transgender.

Crews to complete work on 35th Street Aug. 10–12

The City of Florence will be completing a hot oil chip and fog seal, as well as a MicroCoat application, on 35th Street between Pine and Siano Loop from Wednesday, Aug. 10, to Friday, Aug. 12, depending on the weather.

As with any street construction project, there will be slight delays in the area. Residents are advised to use alternate routes to avoid the work area between Aug. 10 and 12.

Drivers should slow down and be patient and attentive to

the traffic control flaggers.

Chip Sealing is a common pavement maintenance practice that extends pavement life and provides a good driving surface. With chip seals, a thin film of heated asphalt liquid is sprayed on the road surface, followed by the placement of small aggregate "chips." The chips are compacted to orient the chips for maximum adherence to the asphalt, and excess stone is swept from the surface.

A fog seal is then applied to further bind the chips to the

asphalt liquid, protect the chip seal from UV rays and finish the road preservation.

The city will apply a MicroCoat to the bike lanes along 35th Street, which is a micro seal coating system that will protect the bike lanes from degradation. MicroCoat was specifically designed for the Pacific Northwest and provides a smoother surface for bicyclists and pedestrians. The pigment in the application will provide additional definition to the bike lanes to improve visibility and safety.

6th Annual SIUSLAW OPEN AT OCEAN DUNES GOLF LINKS

Saturday, September 10th

To Benefit Siuslaw Outreach Services

Registration 9:00 am Shotgun Start 10:00am

Entry Fee : \$89 per player or \$320 per 4 person team
