

Fishing from 1C

casting small spinners, spoons or fly fishing streamers or dry flies can be very effective. Angling for all species in streams above tidewater is restricted to artificial flies and lures until Sept. 1. Casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

ALSEA RIVER: Cutthroat
The Alsea River is open for cutthroat trout, casting small spinners, spoons or fly fishing streamers or dry flies can be very effective. Bait is not allowed above the head of tide until Sept. 1.

SILETZ RIVER: Steelhead, cutthroat
Steelhead fishing is fair. This run typically peaks by early July. Casting spinners, drifting bait or using a bobber and jig can be effective. Cover water and fish small and simple as the river conditions are low and clear. For cutthroat trout, casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

WILSON RIVER: Steelhead, Chinook, cutthroat
Fishing for steelhead and spring Chinook is slow. The water is low and clear, so use lighter gear and target the deeper holding areas. Trout angling should be fair.

YAQUINA RIVER: Cutthroat
For cutthroat trout casting small spinners, spoons or fly fishing streamers or dry flies can be very effective. Angling for all species in streams above tidewater is restricted to artificial flies and lures until Sept. 1.

COOS COUNTY LAKES AND PONDS: Trout, warmwater fish
There are trout available for kids in the Millicoma Pond at the Millicoma Interpretive Center and fishing is excel-

lent. Millicoma Pond is set aside for kids fishing only and is a great chance for them to hook into fish. Call before traveling to Millicoma Pond to make sure the gates are open. The phone number is 541-267-2557.

Fishing for largemouth bass is best in mornings and late evenings. Bass will be found in a little deeper water associated with cover, like weedlines or other structure.

Bluegill fishing is picking up with many fish found in or near shallow water. Plastic worms, shallow crankbaits, topwater lures, and spinner baits are good to use for bass. Bluegills will bite on worms, small jigs, or flies.

UMPQUA RIVER, SOUTH: Bass
Trout fishing is catch-and-release only in the South Umpqua and tributaries. Bass

fishing should be good with warmer water temperatures.

TENMILE BASIN: Trout, bass, yellow perch

Trout fishing has been slow in Tenmile Lakes due to warm water. Trout anglers should fish in the deep water and fishing is usually best in the mornings.

Largemouth bass fishing has been good over the past month. Anglers are catching bass near structure or on the deep end of the weed lines using spinner baits, jigs, or rubber worms. Top water lures have been effective in the early mornings or evenings.

Fishing for yellow perch has been slow in Tenmile Lakes. Anglers fishing along the edge of the weedlines are having the best success. Worms fished near the lake bottom work very well for catching yellow perch.

The water level in the lakes

is very low so boat anglers should use caution.

COOS RIVER BASIN: Dungeness crab, bay clams, rockfish

Angling is restricted to artificial flies and lures in streams above tidewater.

Anglers have been catching a few rockfish along the jetties and submerged rock piles. The marine fish daily bag limit for bottom fish (rockfish) is seven fish and a separate daily limit for lingcod (2). Anglers can only keep three blue rockfish and one canary rockfish as part of their daily limit and there will be no harvest of China, quillback, or copper rockfish. Retention of one cabezon per day is allowed.

Coast Guard Aux. offering free boat safety inspections

The Coast Guard Auxiliary recommends a vessel safety check (VSC) for everyone, even experienced boaters.

This Saturday, Aug. 13, Auxiliary members are offering VSC's for recreational boaters at Siuslaw Marina and RV in Cushman, from 10 a.m. to moon.

The exam only takes about 15 minutes and potentially reduces boating risks for all on board.

Boat owners will be asked questions about their boat. Safety equipment will be checked. Vessels passing safety checks are awarded a U.S. Coast Guard/Auxiliary Decal that informs boating agencies that the boat is in compliance with boating equipment laws for the year.

There is no charge for this service and no penalty for not passing.

For more information, contact Jonathan Yoder at 541-991-1181.
