

Relay For Life 2016 —

Lights! Camera! Cure!

Welcome to the 17th Annual Relay For Life of Florence! We are excited about this year's event and look forward to seeing new and returning faces to walk the track and celebrate all we have accomplished and remember those we have lost in this fight against cancer.

Remember, we walk as a symbol of our unwavering effort and hope to one day live in a world without cancer. One day we will never have to hear the three words that strike fear into the heart of everyone who has heard them: you have cancer.

Each day, we gain more of the upper hand. And it is because of dedicated individuals like you, fighting to finish cancer once and for all.

What a privilege it has been to fight for the cure this year with the event leadership team, our team captains, the team members, our donors, our sponsors and our entire community. You put Florence on the map year after year in this worldwide battle, and we are honored to stand by you.

Thank you for making Florence and the world a better place, by fighting with us. We are so very proud of each of you.

Bobbi Harris
2016 Event Chairwoman
