

Teams — the heart of Relay For Life

Rolling out the red carpet for the teams who work all year in the fight against cancer

Banking on Life

Oregon Pacific Bank employees and their families have participated in Relay For Life of Florence since the very beginning. In an organization this close-knit and dedicated to serving as a community partner, Relay For Life is a part of their company culture (several of our top individual participants work here), and they continue to be one of the top fundraising teams for Florence.

Chowder Heads

Mo's Restaurant team returns again to the Florence event.

Despicable Cancer, Incredible Me!

This group is looking forward to raising funds and walking in the 17th annual Relay For Life.

Freddie Bears

Team made up of Florence Fred Meyer associates and family members.

Ladies of the Elks

Our team represents the Ladies of Elks, an auxiliary of Florence Elks Lodge 1858. Several of our members are cancer survivors and we have lost some of our members and spouses to cancer. The lodge had a team last year, but planners thought it would be nice for the Ladies of Elks to have their own team. We are proud of the number of ladies who have signed up to walk. This will be our first year as a team.

Love Connections

Team Love Connection is sponsored by Ada Grange #570. Some of the team has been relaying since the second year and the grange started a team in the third year. This year they have six survivors on the team. They relay for their family, friends, themselves and everyone

who has been touched by cancer. The team will be fundraising at their tent site. Stop by for some monster cookies.

Newsies

Siuslaw News Team Newsies are once again a proud sponsor of Relay for the 16th year in a row. The team is made up of Siuslaw News employees and their families and friends. They honor their own that have fought the fight against cancer and won. They remember the few that lost their battle but live on in their memories.

PeaceHealthies

A community of caregivers from the hospital, clinic and business offices, this team is dedicated to increasing awareness about this life-threatening disease, providing a voice for those who have fought and are still fighting, and support for those working on a cure. They care!

Team Reedsport

This group from Reedsport is looking forward to raising funds and walking in the 17th annual Relay For Life.

Ship to Shorewood

Shorewood Retirement Home sponsors this group. The team is looking forward to raising funds and walking in the 17th annual Relay For Life.

Siuslaw School District

The third annual Relay Recess events at the Elementary School and Middle School raised over \$2,100! Big thank you to the Siuslaw School District staff and teachers for helping put on these fantastic fundraising events.

Team Doud

The name of our team is Team Doud. We represent friends and loved ones of Ernie Doud, a leukemia victim who died June 9, 2016. He wanted to walk himself, but it just didn't work out. Ernie was much

loved by many people. We are a new team for this year but hope to carry on in the future. Let's get rid of this horrible disease, everyone!

Team Plexus

This group is looking forward to raising funds and walking in the 17th annual Relay For Life.

The ALZ Time Berries

This group is looking forward to raising funds and walking in the 17th annual Relay For Life.

Wonder Women

The Wonder Women are glad to be back for another year with Relay For Life of Florence. The team is made up of "wonder women" in the Florence area.
