

Survivor, caregiver laps around the track

The first lap around the track at every Relay For Life event is the Survivors Lap. Following the opening ceremonies at 11 a.m., survivors will walk and complete a lap, often accompanied by family members and friends. This lap will be immediately followed by a Caregivers Lap, allowing everyone the opportunity to celebrate the spouses, partners, friends and neighbors who provide day-to-day support and encouragement to those battling cancer.

2016 theme laps
