## LOOK BEFORE CROSSING

## Hands-on experience

BY NED HICKSON  
Siuslaw News

On the surface, Ron Bresser's chosen sport seems to be in juxtaposition to his warm and welcoming personality. On the mats as both a wrestler and coach for more than 50 years, Bresser can dissect an opponent with precision and within seconds, nullifying a given move with a twist, roll or lunge. His years of wrestling among Canada's elite, as well as his years as a coach at Henley High School in Klamath Falls, Ore., have made him a sought-out magi among wrestlers and coaches.

It's a knowledge he has shared with all five of his children — four boys and a daughter — all of whom are amid their own standout careers on the mats. Among them are Oregon State University wrestler Ronnie Jr., a PAC 12 champion at 125 pounds, as well as Zech, a Clackamas Community College wrestler ranked No. 5 nationally among junior colleges, and Michael, a high school state champion who is getting a full-ride scholarship to OSU

## SMS cross country to begin soon

Siuslaw Middle School cross country coach Rachele Krause-Campbell has announced that the middle school cross country season will begin soon.

"A fun-loving, friendly group of boys and girls have already committed to either returning or being on the team," said Krause-Campbell, "and we welcome the addition of more."

Siuslaw Middle School cross country is open to all sixth through eighth graders, including home school students. This running sport competes mostly in state parks in various locations, with a focus on natural surfaces and trails.

"The goal of our team is to make individual improvements while mixing in some fun," Krause-Campbell said.

Practices are a mix of running form practice, core strengthening, running games and endurance training.

The season runs from late August through late October.

Required practices will begin Monday, Aug. 29, and a schedule will be set soon. Each student must have the following completed at the middle school to be able to participate in those practices:

Sports physical (done with a physician) and online registration.

The middle school office will be ready to help with that process, as well as school

### MID COAST LAKES:

Rainbow trout stocking is complete along the mid coast. Holdover trout will be available in most lakes through the summer. Fishing for the various warm water fish species is good this time of year as fish move to the shallows for spawning. There are numerous lakes in the Florence area that can provide good opportunity.
