**NOTICE OF RECEIPT OF BALLOT TITLE**  
Notice is hereby given that a ballot title for a measure was received by the Lane County Clerk on August 18, 2016, for inclusion in the November 8, 2016 General Election.  
The ballot title caption is: **Heceta Water District Dissolution**  
An elector may file a petition for review of the ballot title in the Lane County Circuit Court no later than 5:00 p.m., August 29, 2016.  
**Caption:** Heceta Water District Dissolution  
**Question:** Shall the Heceta Water District be dissolved and all assets and liabilities transferred to the Heceta Water People's Utility District?  
**Summary:** This measure dissolves the Heceta Water District (District). On May 21, 2013 voters approved formation of the Heceta Water People's Utility District (PUD) with the same boundaries as the District.  
The voters, inhabitants and water service customers of the District are the same as those of the PUD.  
Both the District and the PUD have legal authority to provide water service to the same area and inhabitants.  
The District Board of Commissioners (Board) has transferred most District assets and liabilities to the PUD. The District stopped providing water services and the PUD began providing water services on July 1, 2014. The Board has determined that it is in the public interest to dissolve the District and transfer remaining assets and liabilities to the PUD.  
The Board adopted findings of fact, and a proposed dissolution and liquidation plan that is filed with the Lane County Clerk.  
It was necessary for the Board to call this election because under state law voter approval is required to dissolve the District.
