Correction

In the Coast Life article, "Elegant at 80," page B1, in the Aug. 10, 2016, issue of the Siuslaw News, Conde B. McCullough designed and built a total of 12 Oregon coast bridges, not 10, as the article stated. Also, the Siuslaw River Bridge is not the only drawbridge. The Reedsport bridge, a swing-span bridge, also is considered a drawbridge. Siuslaw News regrets the errors.

Tomorrow is the Day!

From the Heart Dentistry Day—Thursday, August 25

What it is...

From The Heart Dentistry is the annual event established by The Korando Dental Group to serve underserved and marginalized men and women in Florence with free dental care. Patients can choose from a thorough cleaning, an extraction, or a filling at no cost. This year's event takes place from 6:00 a.m. to 4:00 p.m. at The Korando Dental Clinic, 1705 22nd St. in Florence.

Why we do it...

The shortest distance between two people is a smile. That's why, for more than 30 years, From The Heart Dentistry has worked to improve lives through free dental care for those who need it most, but who just can't afford it. From The Heart Dentistry volunteers believe each patient is deserving of respect and dignity, and needs just a little help that will have big results for their lives.

Who it's for...

Anyone 18 years old and older who cannot afford to pay for dental care is welcome. We typically see between 40 and 50 patients each year, and some are referred to other medical professionals when unexpected health problems are discovered during the dental exam.

How you can help...

From The Heart Dentistry is a non-profit subsidiary of The Korando Dental Group. Financial contributions are tax-deductible. Even though all of the work done during From The Heart Dentistry is donated by dentists, denturists, dental hygienists, pharmacists, dental assistants, doctors, and nurses; your financial support will buy additional cleaning supplies, anesthesia, and post-appointment educational resources for patients so they can maintain their dental hygiene. You can contribute securely online by credit card at korandodentalgroup.com; make a contribution in person in the office at 22nd and Pine St., in Florence; or by mail to: From The Heart Dentistry, PO Box 159, Florence, OR, 97439.

Mayor Joe Henry Proclaims August 25 "From the Heart Dentistry Day"

Mayor Henry presents Charles W. Korando, DDS, with mayoral proclamation during August 1 City Council meeting

Whereas:

The City of Florence is a City in Motion...

And Whereas:

A City in Motion cares about the well-being of its underserved populations...

And Whereas:

The Korando Dental Group's not-for-profit subsidiary, From The Heart Dentistry, sponsors the annual From The Heart Dentistry Day to serve those underserved populations...

And Whereas:

In recognition of the importance of quality dental and health care for all, and their impact on other aspects of a person's overall well-being...

Therefore:

I, Mayor Joe Henry, proclaim Thursday, August 25, as From The Heart Dentistry Day to encourage all citizens to be extra mindful of their own health, and to support those who care for the health of others.

In particular, I urge the citizens of Florence to help fund beneficial non-profit community programs such as From The Heart Dentistry Day, so the underserved of our community can receive compassionate care from those willing to provide it for free—as the Korando Dental Group as done for our community for more than 30 years. I hereby offer my personal gratitude to each of the event's volunteers and sponsors who will make this day a success for dozens of our citizens-in-need.

Thank you Mayor Henry!
