NED HICKSON/SIUSLAW NEWS

The Lady Vikings celebrate after forcing a second game-point situation in the fourth set Thursday night against Pleasant Hill.

Vikings

from 1B

to take the win, 25-23.

Siuslaw came into the fourth set just one loss away from losing the match, sparking its best play of the night in order to fight off two game-point situations and force the set into extra points.

Tied at 24-24, The Viks moved ahead on a kill from Rose, only to have the Billies tie things up on an ace.

Pleasant Hill was poised for the win once again at 26-25, but York pounded a kill to tie the set again, 26-26.

But a Siuslaw error, followed by a Billies tip-kill, won the match for Pleasant Hill, 28-26.

Today, the Vikings are competing in the 12-school Canby Varsity Tournament, giving Siuslaw one more chance to get its aces in their places before the start of Far West League competition this Tuesday, at home against South Umpqua.

First serve is at 6:30 p.m.

Fishing

from 1B

is now open. Casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

SALMON RIVER: *Cutthroat, Chinook*

The Salmon River and bay is open for Chinook salmon through Dec. 31. Fishing is slow but will pick up over the next several weeks Trolling herring in the lower bay is an effective technique. Eggs and bobber or drifting eggs can be productive in the upper bay and river as the season progresses. Parking can be limited at Knight Park during the fall salmon return.

SILETZ RIVER: *Steelhead, cutthroat, Chinook*

The Siletz River and bay is open for Chinook salmon through Dec. 31. Fishing is slow but will pick up over the next several weeks. Trolling herring in the lower bay is an effective technique. Eggs and bobber or drifting eggs can be productive in the upper bay and river as the season progresses. Consult the regulations for changes in deadline locations through the season.

Steelhead fishing is fair. Casting spinners, drifting bait or using a bobber and jig can be effective. Cover water and fish small and simple as the river conditions are low and clear.

For cutthroat trout, casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

WILSON RIVER: *Steelhead, cutthroat*

Fishing for steelhead is fair. The water is low and clear, so use lighter gear and target the deeper holding areas. Angling for cutthroat should be fair to good, sea-runs should be throughout the system. Try casting spinners or streamer flies in areas with cover, or dead drifting small presentations.

Fall Chinook season does not open until Sept. 16, and the river is closed to salmon angling upstream of Jordan Creek (RM 21.9) through Dec. 31.

YAQUINA RIVER: *Cutthroat, Chinook*

The Yaquina River and bay is open for Chinook salmon. Fishing is slow but will pick up over the next several weeks. Trolling herring in the lower bay is an effective technique. Eggs and bobber or drifting eggs can be productive in the upper bay and river as the season progresses.

For cutthroat trout casting small spinners, spoons or fly fishing streamers or dry flies can be very effective. Angling for all species in streams is now open.

UMPQUA RIVER, SOUTH: *Bass*

Trout fishing is catch-and-release only in the South Umpqua and tributaries. Bass fishing should be good with warmer water temperatures.

TENMILE BASIN: *Trout, bass, yellow perch*

Trout fishing has been slow in Tenmile Lakes.
