

What people say Florence Evangelical Church is like:

Children:

Church is fun, friendly and nice.

*It's great...
the food part.*

*Getting together, fun,
it's interesting to listen to the pastor.*

*Our church is really good, we have really good
Sunday School teachers, and it's fun.*

Youth:

You don't have to pretend. People are really nice.

*Go and be yourself. No matter how weird
you are, people will accept you.*

*Friends and family.
It allows you to be creative.
It teaches you about the Bible.*

*Our church is interesting,
a variety of activities.*

Adults:

Uplifting, Encouraging, God-centered, Child-focused

What stood out to me was how welcoming everyone was to our family.

People know who you are and are happy to see you.

*When we meet, the Holy Spirit is felt, His presence is felt,
and we know this is where we are supposed to be.*

*Worship and study of God's Word,
straight from the Bible to your heart,
with everyday folks from all walks of life.*

Are you less than perfect? So are we!
