

NEW LIFE LUTHERAN CHURCH

For people looking for a church home that is friendly, spiritual, and dedicated to the principles and teachings of Christ, New Life Lutheran is an excellent choice.

The congregation is served by Pastor Lori Blake formerly of Immanuel Church in Minnesota.

While maintaining strong spiritual teaching and Christian support to the congregation, New Life Lutheran is dedicated to serving the community through outreach. The church was in the grass roots movement to establish "Food Share" to feed the hungry of Florence. Food Share is now located on church property and is thriving. "Habitat for Humanity" is another local service that the church helped pioneer. Habitat has built 26 houses and is working on the 27th. This helps many young families to afford a home and even help build it! New Life Lutheran established the first Christian preschool

in Florence in the 70's. It was called "Alice Brauer Christian School." The church is now partnering with two very experienced and qualified people for a Kindergarten ready Preschool of the same name.

These are the services that the church offers: Adult Forum class at 9:00 a.m. Sun., "Come As You Are" service on Wed. at 6:00 with the first Wed. being "Movie Night", Games & Grub on the 1st Sat., and Bible Study at 1:00 and 6:00 On Thurs. Summer Splash is offered once a month in the summertime for children.

The Community is invited to attend these services and events as well as our regular service at 10:30 on Sun., and to share the Fellowship hour in the Fellowship hall immediately afterwards

Grace and peace to all.
