Notorious

Thursday at 9 p.m. on **KATU, KEZI**

Based on the experiences of criminal defense attorney Mark Geragos and television talk producer Wendy Walker ("Larry King Live") — who are among the executive producers here — this new drama probes the links between the law and the media. Piper Perabo ("Covert Affairs") returns to series work as the news producer in question, and Daniel Sunjata ("Graceland") plays the lawyer. Co-stars include Ryan Guzman and Aimee Teegarden ("Friday Night Lights").

MacGyver

Friday at 8 p.m. on **KVAL**

If you need someone to use a chocolate bar to stop an acid leak, MacGyver is still the man to call. This series reboot casts Lucas Till ("X-Men: First Class") as the inventive hero ... less of a loner this time as he works with the U.S. government in the Department of External Affairs. George Eads ("CSI: Crime Scene Investigation") plays ex-CIA man Jack Dalton, his partner. Tracy Spiridakos ("Revolution") also appears in the premiere, "The Rising."

Quantico

Sunday at 10 p.m. on **KATU, KEZI**

Fresh challenges await Alex Parrish (Priyanka Chopra) as she switches agencies — moving from the CIA to the FBI — as Season 2 of the drama series begins with "Kudove." The two institutions don't necessarily work together smoothly, so Alex is destined to be torn over her alliances on cases that involve both. Among those entering her sphere are characters played by Blair Underwood, Russell Tovey and Aaron Diaz. Jake McLaughlin and Johanna Braddy also return.

The identity of the featured celebrity is found within the answers in the puzzle. In order to take the TV Challenge, unscramble the letters noted with asterisks within the puzzle.
