

Interactive entertainment

Poison Pen Players has greatly enjoyed our many performances at the Florence Events Center over the past six years.

We utilize the flat floor rooms in order to provide interactive comedy and murder-mystery type entertainment, as well as live musical revues for

our guests — typically including a three course meal.

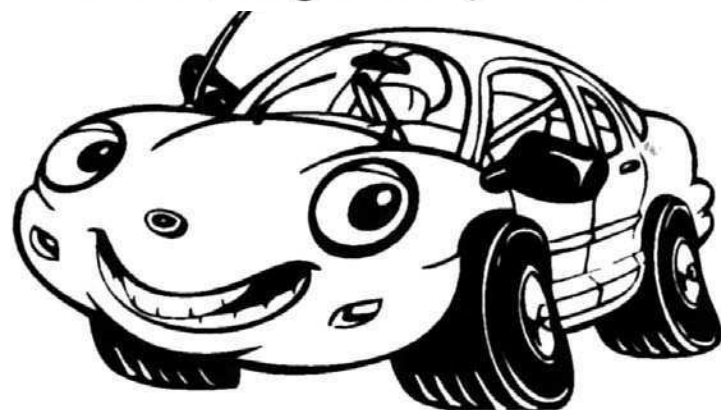

The FEC provides a classy venue that includes everything we need to host a successful dinner theatre event.

We would like to congratulate the FEC on 20 years, and we look forward to many more events together!

Part of a grand ride

Who knew when we began volunteering, even before the official opening, that we would be here celebrating 20 years at the Florence Event Center?

It's been a joy and pleasure being part of this fantastic facility. Whether we're helping with the indoor garage sale, taking tickets, working the stage, ushering or attending the early morning crew calls, it's been fun and exciting to be part of something so great for Florence.

The staff at FEC is caring, professional and fun to work with. If it's a

SEacoast Entertainment presentation, celebrating a 50th wedding anniversary, a dance recital, our local boys and girls gymnastics program, health fair or many other activities, there is always a feeling of family and of doing what's best for our town.

We believe we speak for all the volunteers when we say thank you to the FEC for all that it has brought to Florence.

We're very happy to have been a part of it. It's been a grand ride!

Love and all that jazz

Chuck Cassey chose the FEC for the Flotones' first major concert, "Eklektik," on Sept. 30, 2005.

We next appeared on the FEC stage as part of the FEC's 10th anniversary celebration in August 2006. In September 2011 we went "Cruisin'" on the FEC flat floor and then, with the help of generous grants from the Friends of the FEC, we presented Christmas benefit shows in November of 2011 and 2012 — which brought in combined totals of

1,657 pounds of food and \$2,292 cash donations.

Another grant from Friends of the FEC made it possible to present a combined concert (with dancing!) with the Yachats Big Band in February 2014. This added 718 pounds of food to the Food Share shelves and \$618.

We presented "The Glory of Love" in May 2015 and "Latin Rhythms" in September 2016, thanks again to grants from the Friends of the FEC.

Kevin Rhodes and the entire staff of the FEC have been the best partners we could ask for to share all the beautiful jazz music we love to sing with the Florence community.

100 Acts of Good

The Rotary Foundation turns 100 this year!

The Rotary Foundation is turning 100, and that is definitely something worth celebrating! To celebrate this event, and to recognize the many things that the Rotary Club of Florence is able to accomplish in our community and around the world, we will be capturing 100 Acts of Good that occur throughout the year. Our club touches so many people and makes such a difference in the lives of the residents of Florence. Finding 100 Acts should be easy!
