

COAST RADIO

supporting the FLORENCE EVENTS CENTER

Since 1996

“Coast Radio's partnerships, relationships and support of the Florence Events Center started well before the facility was built and continues to this day. We've developed many events, friendships and memories over the past 20 years. Whether it's Chowder Blues & Brews, the Annual Florence Home & Garden Show or a new event we are planning for 2017, the Florence Events Center continues to be an exceptional venue and showcase for our community.”
