missing quarterback junior Jared Brandt, as well as juniors Evan Teret at wideout and Mason Wampler at running-back — all out with injuries.

That meant moving the

team's top wide receiver, junior Trent Reavis, to the pocket to replace Brandt.

Reavis performed well, connecting on 12 of 27 passes and clearing 110 yards. He was intercepted twice, one of which was on a 62-yard drive just before the half.

The Viks only had 12 possessions in the game, with four turnovers and four possessions turned over on downs.

Offensively, the Trojans claimed more than four times as many yards overall, connecting for 276 yards in passing and 261 yards on the ground.

This was compared to 155 yards of total offense for the Vikings.

Since the Vikings and Trojans first began playing each other as members of the Coast League in 1955, it was only the ninth win over Siuslaw in 30 matchups.

Quincy Rusk led rushing with 12 carries for 25 yards. Reavis had 12 yards on two carries, and Nick Steinman had seven carries for 5 yards.

Brogan Cornish led receivers with 65 yards on six catches.

Friday, the Vikings will host the 4A's top-ranked school when they take on North Bend.

Kickoff for Friday's game is set for 7 p.m. at Hans Petersen Field.

Mapleton from 1B

For his first race, Roane ran a time of 25:48.1.

"I felt like I had too much left in the tank at the end," he said. "It gives me a good idea for next week's pace and my own potential. I'm excited to see what I can do."

According to Longo, the

team is still nursing a couple of soft-tissue injuries from learning to log the kinds of miles a first-year team is experiencing.

"Mostly minor stuff mitigated by ice, heat, foam rolling and stretching," said Longo. "I'm hoping to have four guys and our first girl run at the Woahink Invitational this weekend."

Sophomore Brittany Wilson, who ran the 800-meters for Mapleton as a freshman last year, has been working out with the team for three weeks in preparation to clear her for Saturday's meet, which will be hosted at Honeyman State Park by Siuslaw High School.

"This group has been the one to re-start the program and have been working hard," said

Longo. "There hasn't been a single complaint after many tough workouts. It's also a group that has pushed me to run harder and improve my own half-marathon time by more than 15 minutes two weeks ago.

"We're all learning and improving together."

The Woahink Invitational starts at 12:30 p.m.

Fishing from 1B

Fishing is slow but will pick up over the next several weeks. Trolling herring in the lower bay is an effective technique. Eggs and bobber or drifting eggs can be productive in the upper bay and river as the season progresses. Consult the regulations for changes in deadline locations through the season.

Steelhead fishing is fair. Casting spinners, drifting bait or using a bobber and jig can be effective. Cover water and fish small conditions are low and clear.

For cutthroat trout, casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

WILSON RIVER:

Steelhead, cutthroat

Fishing for steelhead is fair. The water is low and target, so use lighter gear and areas. Angling for cutthroat should be fair to good.
