VIKS PLUNDER PIRATES

BY NED HICKSON
Siuslaw News

The Viking volleyball team continued its march through the Far West League this week, easily plundering Marshfield's Pirates and the Bruins of Brookings-Harbor in back-to-back, three-game sweeps.

Tuesday, Siuslaw made quick work of visiting Marshfield, sinking the Pirates 25-12, 25-11, 25-13.

Even with junior starting libero Maci Wells out of the line-up that night with an injury, Siuslaw's defense remained strong with solid work from sophomore McKenzie Colton, who came in for Wells.

In addition, senior outside hitter senior Claire Waggoner moved to the bench for a bit after being struck in the face by a teammate's foot. Sophomore Alyssa Richards rotated in and the Vikings never skipped a beat on the way to a quick 25-12 win in the night's

Sailors land Eagles, head into final match

BY NED HICKSON
Siuslaw News

The Sailors picked up their second win of the season over Eddyville Thursday night, this time at the Eagles' nest.

Mapleton opened with a 25-17 win but then narrowly fell in the second

Sophomore Alyssa West serves up an ace for the Sailors.

set, 20-25.

Yet with only six players remaining on its roster and an empty bench, Mapleton rallied to win the next two

On the Bite

A WEEKLY
FISHING REPORT FOR
THE LOCAL REGION

www.dfw.state.or.us/RR

MID COAST LAKES:

Rainbow trout stocking is complete along the mid coast. Holdover trout will be available in most lakes through the summer. Fishing for the various warm water fish species is good this time of year. There are numerous lakes in the Florence area that can provide good opportunity.

SIUSLAW RIVER:

Cutthroat, Chinook
The Siuslaw River and bay is open for Chinook salmon. Fishing is fair. Trolling herring in the lower bay is an effective technique. Eggs and bobber can be productive in the upper bay and river as the season progresses.

For cutthroat trout, casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

Angling for all species in streams above tidewater is open. Casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

ALSEA RIVER:

Cutthroat, Chinook

The Alsea River and bay is open for Chinook salmon. Fishing is fair. There are fish that have migrated to the upper bay. Trolling herring in the lower bay is an effective technique. Eggs and bobber can be productive in the upper bay and river as the season progresses.

SALMON RIVER:

Cutthroat, Chinook

The Salmon River and bay is open for Chinook salmon. Fishing is fair. Trolling herring in the lower bay is an effective technique.

Eggs and bobber can be productive in the upper bay and river as the season progresses. Parking can be limited at Knight Park during the fall salmon return. Anglers are reminded

Looking for Love

This is *Isadora*, a quiet and well-mannered six-year-old lady. She thought she hit the jackpot in the spring of 2015 when a wonderful lady in a retirement community adopted her. Unfortunately her adopter's health failed and she was back at our shelter a year later. Won't you give her another chance at her forever home? We think she's "Is-A-Dorable"!

is on a special diet that is easily found in pet supply stores. Won't you consider giving Ivanhoe his forever home?

Ivanhoe is a very handsome gentleman. He has always been a very sweet and affectionate boy. Ivanhoe was born in our shelter, so he has never known anything beyond the shelter walls. He would love to come home with you and be your big, orange couch potato. Ivanhoe
