## Dave's RE-CORNER

**Most people have heard of the 3Rs of environmentally friendly behavior-**  
**REDUCE** is to use less of something. Use less water, turn off lights, use both sides of a paper.  
**REUSE** is to use an item again. Refill a water bottle, reuse a container and buy reusable bags.  
**RECYCLE** is to make new items from old ones; recycle bottles, glass, paper, cans, plastic, cardboard & more.

### Tip

**Know what you can and can't recycle**  
 Read up on the recycling rules for your area and make sure you don't send anything in that can't be processed. Each city has its own specifics, so try to follow those guidelines as best you can. But it can be more complicated than that. There's real recycling, and there's green-washed recycling and knowing the difference can help you avoid encouraging companies from 'fake feel-good' recycling.

### Quiz

(answer will be in next Saturday's edition)  
 Answer to Previous Quiz: C Recycling

If you make a new basket from an old ice cream bucket you are...  
**A) reducing. B) reusing. C) recycling.**

### Did you Know?

People in the U.S. make up 5% of the world's population but use 25% of the world's resources and generate 30% of its garbage.\*

## Public input sought for street project

The Florence Urban Renewal Agency and the City of Florence are working with the Oregon Department of Transportation (ODOT) on ReVision Florence to provide streetscaping to the Highway 101 corridor.

In 2018, ODOT will be repaving the segment of Highway 101 from the Siuslaw River Bridge to the Highway

126 intersection, and the Florence Urban Renewal Agency has been working on a streetscape design to coordinate with that project.

As the agencies work through the ReVision Florence design process, they are seeking public input on the conceptual design.

Please take the time to review the ReVision Florence

project and fill out a short survey. Responses will be collected Oct. 13 at 5 p.m.

The ReVision Florence Outreach Survey is located online at [www.ci.florence.or.us/urbanrenewal/revision-florence-outreach-survey](http://www.ci.florence.or.us/urbanrenewal/revision-florence-outreach-survey)
