After setting a personal best during last year's Paul Meriman Cross Country Invitational in Philomath and winning the event for the third consecutive year, Celie Mans finished second to Bandon junior Sailor Hutton during last Saturday's Meriman race.

Hutton finished the 5,000-meter distance in 18 minutes, 50.4 seconds for the individual title. Though it was still 11 seconds behind Man's PR time from last year, it was 23 seconds ahead of the Viking senior (19:13.6) this time around in a field of runners from 19 schools.

Overall, the Lady Vikings were fifth in team scoring (167), with host Philomath taking the team title (109),

followed by Sisters in second place (119), Catlin Gabel (120) in third and Scappoose in fourth place (131).

Freshman Hannah Rannow had a personal best in 22:21.0 for 25th overall, followed by fellow freshmen Anne Wartnik (22:49.2) for 33rd place, Chloe Madden (23:35.3) in 44th and senior Destine Tatum in 63rd with a time of 24:17.5.

## SHS heads to Douglas after falling to Pirates

Though Siuslaw junior quarterback Jared Brandt was 18-of-26 in passing with 178 air yards, it wasn't nearly enough to sink the Pirates on Friday night at Marshfield.

Trailing 21-0 heading into the second quarter, Siuslaw was able to score early in the period on a 10-yard pass from Brandt to junior receiver Trent

NED HICKSON/SIOUSLAW NEWS

Siuslaw senior receiver Brogan Cornish had four catches against Marshfield on Friday.

Reavis. But for every breach of the Pirates' goal line by Siuslaw, Marshfield was able to answer — and then some.

Just before the half, Reavis scored once again, on a 36-yard pass reception from Brandt, but the kick failed, with the Pirates scoring once more heading into the half for a 42-13 lead.

## 'Whale Watching Spoken Here' seeks volunteers

The Oregon Parks and Recreation Department (OPRD) is seeking whale-watching volunteers to participate in its annual Whale Watching Spoken Here program.

The program places trained volunteers at 24 whale-watching sites along the Oregon coast during winter and spring watch weeks, when approxi-

mately 20,000 gray whales migrate on their way to and from feeding areas off the Alaska coast and birthing areas near Baja, Mexico.

Volunteers who complete the one-day training may select a whale-watching site where they will be stationed to assist visitors in spotting gray whales

and maintain a count of whales spotted.

The dates for upcoming whale watching weeks are Dec. 27 through 31, and March 25 through 31, 2017.

New this year, volunteers can register for the training online

## On the Bite

A WEEKLY  
FISHING REPORT FOR  
THE LOCAL REGION

[www.dfw.state.or.us/RR](http://www.dfw.state.or.us/RR)

**MID COAST LAKES:**  
Rainbow trout stocking is complete along the mid coast. Holdover trout will be available in most lakes through the summer. Fishing for the various warm water fish species is good this time of year. There are numerous lakes in the Florence area that can provide good opportunity.

**SIOUSLAW RIVER:**  
*Cutthroat, Chinook*  
The Siuslaw River and bay is open for Chinook salmon. Fishing is fair. Trolling herring in the lower bay is an effective technique. Eggs and bobber can be productive in the upper bay and river as the season progresses.

For cutthroat trout, casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

Angling for all species in streams above tidewater is open. Casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

**ALSEA RIVER:**  
*Cutthroat, Chinook*

The Alsea River and bay is open for Chinook salmon. Fishing is fair. There are fish that have migrated to the upper bay. Trolling herring in the lower bay is an effective technique. Eggs and bobber can be productive in the upper bay and river as the season progresses.

**SALMON RIVER:**  
*Cutthroat, Chinook*

The Salmon River and bay is open for Chinook salmon. Fishing is fair. Trolling herring in the lower bay is an effective technique. Eggs and bobber can be productive in the upper bay and river as the season progresses. Parking can be limited at Knight Park during the fall salmon return. Anglers are reminded
