Learn about 'Plight of Snowy Plover'

Join members of the local Surfrider Foundation Siuslaw Chapter and others in the community Wednesday, Oct. 19, beginning at 6:30 p.m., for a presentation by Dan Elbert from the U.S. Department of Fish and Wildlife (ODFW) about the Western Snowy Plover.

"Shorebirds have captured our imagination for thousands of years," says Elbert. "This presentation will explore our cultural and natural relationships with one particular shorebird, emblematic of the Oregon coast — the snowy plover."

"Discover the plight of the plover and the efforts that have been invested for more than 20 years to stabilize the population and recover this marvelous little bird."

County Parks invites applications for task force

With over 70 parks, Lane County is seeking help from the community to create a comprehensive park and open space system plan that includes creating a long-term vision for county parks and recreation.

The planning process has been ongoing. In September 2015 a draft Master Plan was released and many residents provided valuable comments and insights.

The next phase is to more formally involve the community and to create a task force to guide the refinement of the draft plan. The task force will meet at least five times between October 2016 and July 2017. Members will be asked to read meeting briefs, review planning documents, address questions, help with community outreach and assist county staff in making decisions on plan development.

"We are excited to start this phase of the planning," said Parks Advisory Committee

member Kevin Shanley. "Our county parks are an incredible resource for everyone in Lane County and we want a plan that reflects the values and the vision of the community. We hope people feel the same and choose to get involved — either by applying for the task force or providing feedback as we move along."

The task force will include 15–22 members. To ensure diverse, countywide representation, 5–7 members will be selected based on their experience and ability to represent different county-wide park and recreation interests, such as tourism, natural resource protection, significant agency and community partners, etc.

Two representatives will be selected from each of the following geographic areas: Coast; Siuslaw (Mapleton); North Valley (Eugene, Springfield, Fern Ridge, Veneta); Mckenzie River/East Lane (Vida); Middle Fork

Willamette (Oakridge); and South Valley (Cottage Grove). The remaining members will be selected from the Parks Advisory Committee.

Applications for the task force are due by Monday, Oct. 17. Applications are available at lanecounty.org/parksplan.

In addition to the task force, there will be several opportunities during the next year to provide feedback, including: an online questionnaire and comment forum, public meetings and open houses and formal review forms. To receive updates on the progress of the planning process and alerts for involvement opportunities, visit lanecounty.org/parksplan.
