**MID COAST LAKES:**  
Rainbow trout stocking is complete along the mid coast. Holdover trout will be available in most lakes through the summer. Fishing for the various warm water fish species is good this time of year. There are numerous lakes in the Florence area that can provide good opportunity.

*Cutthroat, Chinook*  
The Siuslaw River and bay is open for Chinook salmon. Fishing is fair. Trolling herring in the lower bay is an effective technique. Eggs and bobber can be productive in the upper bay and river as the season progresses.

For cutthroat trout, casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

Angling for all species in streams above tidewater is open. Casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

**ALSEA RIVER:**
