FRAA presents Sam Spayed with special painting

At a recent Florence Regional Arts Alliance (FRAA) board meeting, Sam Spayd was presented with an original oil painting of his 1944 Stearman "Kaydet" plane.

Local artist and board member Ron Hildenbrand painted it after visiting Spayd at his Hanger at the Florence Airport.

A retired United States Air Force officer, Spayd has been a great supporter of the arts in Florence and is a sponsor of FRAA.

"Thanks to FRAA sponsors, as well as the many individuals and families that have joined FRAA, its goal of supporting all the arts and promoting Florence as an arts destination is becoming a reality," said Hildenbrand.

There are many benefits to becoming a member of FRAA,

Dave's RE-CORNER

Most people have heard of the 3Rs of environmentally friendly behavior-

REDUCE is to use less of something. Use less water, turn off lights, use both sides of a paper.

REUSE is to use an item again. Refill a water bottle, reuse a container and buy reusable bags.

RECYCLE is to make new items from old ones; recycle bottles, glass, paper, cans, plastic, cardboard & more.

Tip

Purchase refurbished electronics.

Refurbished electronics are often products that were returned to stores within 30 days of purchase, had damaged packaging or a slight cosmetic defect, were used as in-store display items or were simply overstocked. Many are still covered by their original warranties and before they can be resold in the marketplace they go through rigorous defect testing. Refurbished products also frequently sell for less than 50 percent of the retail price. Buying refurbished is a clear win-win, saving you money and reducing e-waste heading to landfills.

Rotary names Siuslaw 'Students of the Quarter'

At the Oct. 11 Florence Rotary Meeting, the Siuslaw Student of Quarter students were announced.

For Siuslaw Middle School, Camryn Rose was nominated by the teachers at the school.

"Camryn is kind to fellow students, gregarious and outgoing, and a strong academic and athletic student," said SMS science teacher Mrs. Hawke. "Last year, Camryn made a superior effort to learn about her natural environment and joined the Knowles Creek STREAM Team Crew for 9 weeks and was a leader among her group."

Mrs. Roach, another teacher at SMS, said, "She loves books and wants to become a scientist someday, like a meteorologist. She participates, is kind to her classmates and turns in high quality work."

Rose is a seventh-grader at Siuslaw Middle School.

For Siuslaw High School, senior Claire Waggoner was nominated by teachers including school counselor Mr. Moser, who said, "Claire Waggoner is one of those students you know is destined for great things. Not because she waits for things to happen but because she works hard to

ensure the right things happen. "She is kind, compassionate and considerate of everyone," he continued, "making her one of those people you just can't help like instantly."

Moser also described her as

being strong and self-confident, traits that "allow her the ability to lead her peers that sets her apart from other students," he said. "Claire is not only a very talented student academically; she is also a

tremendous three-sport athlete, a dynamic member of the SHS leadership group and a valued volunteer worker in the community.

"In short, Claire does it all and does it with excellence."

Meeting to be held for FRAA poetry event

The Florence Regional Arts Alliance (FRAA) Poetry Committee is looking for people to help plan poetry events, including the Big Wave Poetry Festival for 2017.

The committee will be expanding the festival to two days, expanding the youth portion, and inviting well-known Spoken Word poets to come to Florence to perform.

Anyone interested in helping should attend the meeting on Tuesday, Oct. 25, from 5 to 7 p.m., in the Siuslaw Public Library Conference room.
