CASA volunteering

It's about relationships: it's about life! Come learn about the relationship that can be yours as a Court Appointed Special Advocate (CASA) by giving a powerful voice for foster children and teens in our community.

CASA volunteering gives you the opportunity to meet people, make new

friends and get out of the house. You have the skills, the life experience and the time; CASA volunteering is rewarding. It makes you feel like you are accomplishing something, that you are giving back. Come make a difference for yourself, for the community and especially for a child.
