Windermere REAL ESTATE

I was born in Florence and raised in the Mapleton area all of my life. I have three children who attend Mapleton High School. I recently graduated with my Business Administration Degree and earned my Oregon Real Estate Brokers license. I am constantly searching for opportunities to advance my education and professional career through continuing education classes as they become available. I am anxious to share my knowledge of the local area with newcomers and serve local area residents in the sale of their home.
