

AARP, LCC offering ‘Smart Driver’ classes

Even the most experienced drivers can benefit from brushing up on their driving skills. The AARP Smart Driver Course, hosted by Lane Community College in Florence, is designed especially for drivers age 50 and older, but is open to all drivers. Participants learn the current rules of the road, defensive driving techniques and how to operate a vehicle more safely in today’s increasingly challenging driving environment. Learn how to manage and accommodate common age-

related changes in vision, hearing and reaction time. AARP membership is not required to take the course and there are no driving or graded tests in this small classroom course. Also, most drivers over 55 can save money on car insurance by taking this course, under Oregon Law ORS 742.490. Class fee is \$20 with a \$5 discount to current AARP members. The next classes are Nov. 17 or Jan. 19. Visit LCC-Florence or call the school at 541-997-8444 to register.
