Siuslaw Volleyball Club tryouts continue next week

Tryouts for the Siuslaw Volleyball Club will continue Tuesday, Nov. 14, for girls age 15 to 18.

Tryouts for girls ages 9 to 14 were held on Monday and Tuesday of this week.

All tryouts take place at Siuslaw Middle School from 6:30 to around 8 p.m.

The club is entering its 14th season and is open to all girls, ages 9 to 18, who are looking to learn and improve their volleyball game while being part

of a team.

Participants will practice two to three times per week from mid November through April. Through the generosity of Siuslaw School District, the club uses the Siuslaw Middle School to practice in.

Teams play in one to two tournaments per month, competing against teams from all over Oregon and Southern Washington.

Tournaments are usually one-day tournaments on a weekend, starting at

8 a.m. and continuing into the early evening.

Each team plays an average of five matches per day during tournaments. Athletes, coaches and families have come to embrace these times, have fun while learning.

One of the main goals of the club is to find a team for every player who comes to try out and wants to learn the sport.

This year the entire club fee is \$185 per player, and the fee covers all the

tournaments, insurance for practices and tournaments, plus a team sweat-shirt, backpack and T-shirt that they get to keep.

Club director Mike Rose said, "We keep our fees extremely low because we have some great fundraisers, like the Viking Cup golf Tournament, plus all of our coaches are volunteers."

The membership fee for most other clubs range from \$500 to a few

Booster Club offering scholarships for sports fees

The Siuslaw Athletic Booster Club wants to make Siuslaw middle and high school students and their families aware that the Ian Foster Scholarship is available to students in need of assistance to pay for sports participation fees.

Last school year, 84 Ian Foster Scholarships were provided.

Winter sports registration is now open. Participation fees for high school sports are \$100 and the Ian Foster Scholarship pays for \$75 of that fee.

Participation fees for middle school sports are \$75 and the Ian Foster Scholarship pays for \$40 of that fee. School offices and coaches have these

forms available, or download one online at www.siuslawathleticboostersclub.com.

"There is nothing we do as a Booster Club that is more important than funding and providing the Ian Foster Scholarship," said Gina Castro-
