

Thrifty & Fritter™ in WANTS vs. NEEDS

What is the difference between WANTS and NEEDS?

A **NEED** is something you must have in order to survive or function. You need shelter, clothing, food, water and sometimes things like medicine or school supplies.

A **WANT** is something you would like to have, but can live without. A music player, computer, television and bike are **wants** not **needs**.

Look around your room. Make a list of all the things you can see from your doorway. Then, write **W** next to each thing that can be considered a **WANT**. Write an **N** next to each item that can be considered a **NEED**. Do you have more **WANTS** or **NEEDS** in your room?

"I NEED TO GO SHOPPING."

Look at these stores. Check the box above each store to show if it contains more things that you would WANT, NEED or BOTH. Below each store, list a few things it might sell that you would NEED.
