Macy's 90th Thanksgiving Day Parade Special

Wednesday at 8 p.m. on KGW, KOBI

For those who just can't wait until the next morning — and there are likely to be many of those folks — this preview hour presents glimpses of the New York parade route, the floats and (quite importantly) the character balloons that will draw spectators to televisions, if not to the actual streets covered by the extravaganza on the holiday. The program also includes highlights of past editions of the parade, with clips of entertainers who have performed in it.
