Members of the Junior Vikings gather following their win over Newport to go undefeated at 6-0 this season.

Viks from 1B

rough for the Vikings, with the Cubs taking an 8-0 lead at the end of the first quarter.

Runningback Talin Loomis provided a spark for the Viks, breaking away on a run that brought them within scoring range.

From there, the Vikings never looked back, with Buss scoring

three times for the Vikings.

Andrew Jensen-Norman, Sissel and Franklin also breached the end zone for the Vikings, with extra points from Smith and DeJesus.

Defensively, the Vikings held their opponents to just 50 points in six games this season.

Head coach for the Vikings was Corky Franklin, with assistant coaches John Rose, Stecher Buss and Kyle Lewis.

Fishing from 1B

season progresses. Consult the regulations for changes in deadline locations through the season.

Steelhead fishing is slow. The majority of the summer steelhead are in the upper Siletz gorge. Casting spinners, drifting bait or using a bobber and jig can be effective. For cutthroat trout, casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

YAQUINA RIVER: Chinook The Yaquina River and bay is open for Chinook salmon.

Fishing is slow. Fish are throughout the bay and river to the angling deadlines. Trolling herring in the lower bay is an effective technique. Eggs and bobber can be productive in the upper bay and river as the season progresses.

For cutthroat trout casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

COOS COUNTY

LAKES/PONDS: Trout

Rainbow trout were stocked in Upper Empire, Bradley, Saunders, Powers, and Butterfield lakes last week. Due to extremely low water levels, Lower Empire Lake was not stocked. Trout that were destined for Lower Empire Lake were stocked into Upper Empire and Butterfield lakes. Currently fishing for trout has been decent in the deeper lakes like Eel Lake. Anglers are having success slowly trolling wedding rings.

TENMILE BASIN: Trout, bass, yellow perch, coho

Trout angling in the streams of the Tenmile Basin are now closed until May 22, 2017. Trout fishing in Tenmile Lakes is open all year.

There is no wild coho fishery in Tenmile Lakes this fall.

Largemouth bass fishing has been good over the past month. Anglers are catching bass near structure or on the deep end of the weed lines using spinner baits, jigs, or rubber worms.

Fishing for yellow perch has picked up in Tenmile Lakes. Worms fished near the lake bottom work very well for catching yellow perch.

UMPQUA RIVER, SOUTH: CLOSED

The South Umpqua is closed through Nov. 30 to protect spawning fall Chinook salmon.

WINCHESTER BAY: Bottomfish, perch

Fishing for bottom fish in the Triangle and South jetty has been successful.

PACIFIC OCEAN and BEACHES: Bottomfish, Dungeness crab, surf perch, salmon,

The ocean is closed for Dungeness crabs from through Nov. 30.

Recreational harvest of razor clams and mussels is closed from the entire Oregon coast due to elevated levels of domoic acid. This includes all beaches and all bays. Before any shellfish harvest trip, make sure to check the Oregon Department of Agriculture website for any updates.

Recreational ocean salmon fishing from Cape Falcon to Humbug Mt. is closed for salmon fishing, except the Elk River Chinook Terminal Season is open through Nov. 30.

Both the All Depth and the Nearshore Halibut seasons are now closed.

Fishing for bottom fish remains open at all depths.

Fishing for black rockfish has been good from Coos Bay south to Bandon. Fishing for ling cod has been decent. The marine fish daily bag limit is seven fish and a separate daily limit for lingcod (2).

Anglers can only keep 3 blue rockfish and 1 canary rockfish as part of their daily limit and there will be no harvest of China, quillback, or copper rockfish. Anglers may harvest 1 cabezon per day.

BOTTOM FISHING: Fishing for bottomfish was limited last week due to weather conditions. For those few who did venture out, there was some success with lingcod and rockfish.
