Western Lane Community Foundation grant recipients for 2016

Western Lane Community Foundation (WLCF) has announced its annual Discretionary Grant Program is accepting applications immediately for the 2017 grant cycle.

Grants are awarded to local nonprofit organizations for projects and programs in the areas of education, medicine, science, the arts, and social and civic services.

Money awarded each year varies, depending on the application request

received. However in February of 2016, the grant program distributed more than \$71,000 to 39 nonprofit recipients covering most of western Lane County.

Information, guidelines, and applications can be downloaded at www.wlcfonline.org or call 541-997-1274 for more information..

Applications must be received no later than close of business on Jan. 15, 2017.
