

CORRECTION

On the cover of the Saturday, Dec. 10 sports section, Lady Vikings post player Madison Reynolds (above) was misidentified as Nikki Launius. We regret the error.

Destinie Tatum

The senior guard averaged 13 point and 13 rebounds in three games last week for the Lady Vikings, her high was 20 points and 18 rebounds in a loss to the Newport Cubs.

**Honorable Mention
Brittany Long**

Honorable mention is given to her teammate, Brittany Long who scored a career high 18 points in last week's loss to Junction City.

'Sea of Lights' celebrates holidays at Newport Aquarium

NEWPORT — SCUBA Santa, sparkling lights and an ocean of holiday cheer will greet visitors every weekend this December at the Oregon Coast Aquarium's Sea of Lights celebration.

Over half a million colorful lights and holiday decorations will surround visitors with the spirit of the season as they explore the aquarium after hours.

Santa will be present every night of Sea of Lights until

Christmas to pose for photos and note visitors' Christmas wishes.

This family-friendly event kicks off with a special celebration on Dec. 2 and 3, from 6:30 to 9:30 p.m.

Admission to the first weekend of Sea of Lights is \$2 with two cans of nonperishable people or pet food for the local food bank.

Entry is \$10 per person without donation. Admission is free for aquarium members, but

they are encouraged to bring an item to donate.

Sea of Lights will continue to illuminate the aquarium every following Friday and Saturday of December from 5 to 8 p.m., with the exception of Dec. 24.

Admission is \$10, or free with same day paid admission.

"Sea of Lights is a fun way for the aquarium to give back to the community. There is no other place to go see a big light display on the central Oregon

coast, and you can simultaneously help stock the shelves of our local food bank," said Lance Beck, Director of Marketing at the aquarium.

This year's Sea of Lights is presented by Walmart.

Customers that spend over \$100 at Walmart's Newport location receive a voucher for one free admission to Sea of Lights at the aquarium.

Offer valid while supplies last and certain dates are subject to blackout.

See store for details.

Attendees using a voucher are encouraged, but not required, to make a food or toy donation.

Join in the merriment at the Oregon Coast Aquarium, 2820 SE Ferry Slip Road, in Newport.

The aquarium is open every day, except Dec. 25, this winter from 10 a.m. to 5 p.m.

For more information visit www.aquarium.org or call 541-867-3474.

Fishing from 1C

temperatures cool. There are numerous lakes in the Florence area that can provide good opportunity.

Siltcoos and Tahkenitch lakes are open for wild coho until Dec. 31. Fishing has been fair to slow. Casting spinners near the weed lines and trolling plugs or spinners can be effective on fish that recently entered the lake.

SIUSLAW RIVER: *Chinook*
The Siuslaw River and bay is open for Chinook salmon. Fishing is slow.

Trolling herring in the lower bay is an effective technique. Eggs and bobber can be productive in the upper bay and river.

ALSEA RIVER AND BAY: *Chinook, steelhead*

The Alsea River and bay is open for Chinook salmon. Fishing is slow. Fish are throughout the bay and river. Eggs and bobber can be productive in the upper bay and river as the season progresses.

Steelhead fishing is open. Fish are entering the mainstem with the first entering steelhead near the town of Alsea. Casting spinners, drifting bait or using a bobber and jig can be effective.

- Open for hatchery steelhead through Dec. 31.
- No fishing from a floating device upstream from Mill Creek.

SALMON RIVER: *Chinook*
The Salmon River and bay is open for Chinook salmon. The run is near the end but a few fish are still entering the system.

Trolling herring in the lower bay is an effective technique. Eggs and bobber can be productive in the upper bay and river as the season progresses.

Parking can be limited at Knight Park during the fall salmon return. Anglers are

reminded that from Knight Park boat ramp to Sulphur Creek through Dec. 31, angling is restricted to single point hook metal lures, fly angling, or salmon bobber angling.

SILETZ RIVER: *Steelhead, Chinook*

The Siletz River and bay is open for Chinook salmon. Fishing is slow.

Fish are throughout the bay and river. Trolling herring in the lower bay is an effective technique. Eggs and bobber or drifting eggs can be productive in the upper bay and river as the season progresses.

Consult the regulations for changes in deadline locations through the season.

Steelhead fishing is slow. Casting spinners, drifting bait or using a bobber and jig can be effective. For cutthroat trout, casting small spinners, spoons or fly fishing streamers or dry flies can be very effective.

WILSON RIVER: *Chinook*

Fall Chinook fishing is fair on the Wilson River. The Wilson has fished well for fall Chinook this season, and although things will probably start to slow down toward the end of the month, there are still some good fish coming in.

Keep an eye on the weather and River conditions. All of the usual techniques, such as bobber fishing, divers and bait, and back bouncing should be effective.

Although it's still a little early, Thanksgiving is time to start thinking about winter steelhead on the lower Wilson. This basin has some early returning hatchery fish and they should start trickling in towards the end of the month.

YAQUINA RIVER: *Chinook*

The Yaquina River and bay is open for Chinook salmon. Fishing is slow. Trolling herring in the lower bay is an effective technique.

Eggs and bobber can be productive in the upper bay and river as the season progresses.

COOS COUNTY LAKES AND PONDS: *Trout*

Rainbow trout were stocked in Upper Empire, Bradley, Saunders, Powers and Butterfield lakes last month.

Anglers have been catching lots of trout on Powerbait, flies, or by trolling spinners. This was the last stocking of these lakes until the spring.

Trout anglers are also catching trout in Eel and Tenmile lakes. Trolling wedding ring spinners tipped with a night-crawler has been really effective.

UMPQUA RIVER, SOUTH: *CLOSED*

The South Umpqua is now open.

WINCHESTER BAY: Bottomfish, perch

Fishing for bottom fish in the Triangle and South jetty has been successful.

TENMILE BASIN: *Trout, bass, yellow perch, coho*

Trout fishing in the streams of the Tenmile Basin are now closed until May 22, 2017.

Trout fishing in Tenmile Lakes is open all year.

There is no wild coho fishery in Tenmile Lakes this fall.

Largemouth bass fishing has been decent over the past couple weeks. Anglers are catching bass near structure or on the deep end of the weed lines using spinner baits, jigs, or rubber worms.

Fishing for yellow perch has picked up in Tenmile Lakes. Anglers have been catching a few yellow perch measuring 14 to 15-inches long.

Worms fished near the lake bottom work very well for catching yellow perch.

Anglers should fish in water depths of 15 feet or deeper to consistently find the bigger yellow perch.
