Together, Wes Wells and I have served the Florence Area for the past 12 years through our family owned business, Wells Tree & Landscape. We have three children who attend Mapleton High School; Dominic Wells, Haley Wells, and Alyssa West. I recently earned my Oregon Real Estate Brokers license to further help our community. I am eager to share my knowledge of the local area with newcomers and serve local residents in the sale of their home.

## Mike and Wanda Johnson guarantee the following:

- 1) Between the two of us, we DO have one brain! 😊  
 (We know this for sure because we once overheard our daughter tell someone that.)
- 2) We moved to Florence on an impulse in August of 1980; 36 six years this month!
- 3) We have been married 43 years! (To each other!) And we have worked together (sharing one brain) for 99% of those years! (And this is a ridiculous accomplishment, since married people are not supposed to be successful working together!)
- 4) We enjoy our life here in Florence and our work as Realtors immensely! 😊
- 5) We love a challenge so tell us how you envision your "Dream Home" and we will pour our energy and creativity into finding it for you or building it for you!
- 6) Call us for a listing appointment today! (Papa's Grandbaby needs a new pair of shoes!) 😊
- 7) *We have always worked hard for God, our country, ourselves, each other, our family, and we will work hard for you!*
