Report on deer, elk tags to avoid future penalty

Any hunter who purchased 2016 big game or turkey tags needs to report their hunt results by Tuesday, Jan. 31.

Hunters are required to report on each deer, elk, cougar, bear, pronghorn and turkey tag purchased — even if they were not successful or did not hunt. Sports Pac license holders need to report on each big game or turkey tag issued.

Hunters have two ways to report:
• Online at www.odfw.com or report myhunt.com, either at home or by vis-

iting an ODFW office with a computer available for Hunter Reporting.

• By phone, call 1-866-947-6339 to talk to a customer service representative from 6 a.m. to 10 p.m., seven days a week.

Reporting deadlines are:
• Jan. 31, for all 2016 hunts that ended by Dec. 31, 2016;
• April 15, for all 2016 hunts that end between Jan. 1 to March 31, 2017.

Hunters need the following pieces of information to report, which takes

just a couple of minutes:

- Hunter/Angler ID number (located on ODFW licenses, tags and applications; this is a permanent number that stays the same from year-to-year)
- The two digit Wildlife Management Unit (WMU) number of the Unit you hunted in most and the Unit you harvested an animal in if successful.
- The total number of days hunted (including mentoring youth), the number of days hunted in the WMU hunt-

ed most, and the number of days hunted in the WMU you harvested an animal in if successful.

Hunters who fail to report 2016 deer or elk tags on time will be penalized \$25 when they purchase a 2018 hunting license.

This penalty is assessed once, regardless of the number of unreported tags.

As of Jan. 10, about 53 percent of

Julius is a handsome, orange tabby senior. He came to our shelter as a stray and he just happens to be front de-clawed. He is a very loving, cuddly, old man kitty that deserves to spend his golden years in a nice home

Lassie is a bonnie 8 yr. old lass - a Scottish fold to be exact. When Lassie first arrived it took her awhile to get comfortable and decide she could

trust us. Now she gives us kitty kisses on our hands. Lassie is a sweet girl that talks with a growl, but don't be fooled - that's just her Scottish brogue.
