

## Government grants available for park projects

The Oregon Parks and Recreation Department (OPRD) has opened the 2017 Local Government Grant Program (LGGP) grant cycle for funding public parks and recreation projects.

Large, small and planning grants are available for cities, counties, metropolitan service districts, park and recreation districts and port districts looking to fund the following types of projects: planning, development, rehabilitation, acquisition, and acquisition and development.

The Local Government Grant Program is designed to help local government agencies acquire property for park purposes and fund outdoor park and recreation areas and facilities. The grants are funded from voter-approved lottery money.

The LGGP awards more than \$4 million annually to Oregon communities for outdoor recreation projects.

Applications, a grant manual, application deadlines and other information are online at oprdgrants.org.

advancing Siuslaw into the championship game against North Bend, where the Bulldogs took the district title, 406 to 362.

Siuslaw's second-place finish qualified the Viking boys for the state tournament.

In the girls finals, the Lady Vikings got a bye in the first match thanks to being seeded

at No. 1. In the championship round, Willamette edged Siuslaw by just 4 pins, 290 to 286, for the district title.

Still, the Lady Viks' second-place finish qualified them for state competition.

That same day, the League All Stars were named. Among them were Second Team honorees from Siuslaw Taryn Larson and Maxine Jones.

Abby Coday was named First Team as well as the

League MVP.

For the boys, First Team recognition was given to Neil DeVera, Logan Lindner and Patrick Hill, who was also named League MVP.

In the district tournament, All-District honorees included Taryn Larson, Maxine Jones and Abby Coday, who was also named District Tournament MVP.

"It's a real honor to be named both league and district MVP," said coach Dusty Anderson.
