Siuslaw Tale Spinner President Alan Campbell congratulates Jim Perry as he receives another Competent Communication Award.

Jim Perry, Distinguished Toastmaster (DTM), recently earned another Competent Communicator Award. The award required successfully completing 10 projects addressing such topics as organizing your speech, getting to the point, using vocal variety, researching your topic, effective use of visual aids, using vocal variety, persuading and inspiring an audience. Each project is designed to help participants improve their speaking skills. Each speech given is evaluated by another member using specific evalua-

tion criteria tailored to each project. Toastmasters members learn how to formulate, express and sell ideas with poise and confidence. Learning the skills also improves listening skills and the ability to effectively evaluate others ideas. Perry has been a member of the Siuslaw Tale Spinners for many years. “I enjoy being part of the Toastmasters organization and helping others to improve their communication and leadership abilities,” said Perry. “Being a toastmaster helps you gain

more confidence in speaking. It also makes you a better communicator.” The Siuslaw Tale Spinners meet on the first and third Thursday, at 5:30 p.m., at the Port of Siuslaw offices, and on the second and fourth Thursday at noon at the Siuslaw Valley Fire and Rescue Station on Highway 101. The public is welcome to attend as guests. For more information call Jim Perry at 541-997-6971.
