

In Celebration of Spring, the Season of Renewal, we renew our Commitment to You

We renew our commitment to the people and community of Florence

In fulfillment of the PeaceHealth Mission, we are dedicated to promoting the very best in personal and community health.

We renew our commitment to the people of PeaceHealth

We are grateful for our dedicated caregivers — our nurses, clinicians and providers, whose hands and hearts carry on our healing legacy. We are committed to being a great place to work, fostering personal and professional well-being and growth. We also welcome our new providers joining the PeaceHealth Peace Harbor family and are thankful for their service.

We renew our commitment to be the very best partner

We are grateful for our community-based partnerships. Our partners enable us to expand access to care, provide the best value and address the specific needs of our Florence patients and families.

For the past 25 years, PeaceHealth Peace Harbor has been honored to be a member and partner of the Florence community. We look forward to working together to deliver clinical excellence and compassionate care for the next 25 years.
