NED HICKSON/SIUSLAW NEWS

Siuslaw junior Trent Reavis winds up for a new school discus record with a throw of 160 feet, 2 inches on Friday.

Viks gear up as season winds down toward district

By NED HICKSON
Siuslaw News

During Friday's Central Coast Invitational (CCI) at Siuslaw High School, track teams from nine different schools and all six state classifications were on hand for what many used as a tune-up in preparation for fast-approaching district competition.

While many athletes were working on form and technique, over at the dis-

cus cage Viking junior Trent Reavis was busy launching a new school record that bested Siuslaw's previous mark by more than 2 feet.

The throw, which landed at 160 feet, 2 inches, bumped the previous record of 158-10, set by Thomas-Dotson in 2003, to No. 2.

The record-breaking throw was an 11-foot improvement for Reavis, who has actually been knocking on the door of a new school record in the shot put

since last April, when he tossed the steal ball 51-2.5. The mark landed him within a foot of the 1972 school record of 52-1 set by Bruce Plaep.

Considering Reavis entered Friday's invitational with a personal-best discus throw of 149-2 last May, it seems only a matter of time before his momentum in the throws helps him surpass Plaep's 45-year-old shot put record.

Siuslaw splits diamonds with Douglas

By NED HICKSON
Siuslaw News

The Viking baseball and softball teams had their hands full Friday, taking on Douglas in doubleheaders that capped a round-robin week of play

against the Trojans.

At home, the Vikings boys picked up their first win of the season in a hard-fought overtime win in the opener, that came on a hit from senior first baseman Brogan Cornish. The single drove in the winning run in the bottom of the

eighth inning for a slim 8-7 win over Douglas.

The Trojans went on to split the doubleheader and win the nightcap, 5-2.

The split put Siuslaw at 1-12 overall

On the Bite

A WEEKLY FISHING REPORT FOR THE LOCAL REGION

www.dfw.state.or.us/RR

NORTH COAST LAKES:

Most of the North Coast lakes were stocked with trout this week. Water temps are great and fish should be hungry.

So far this season, **Town Lake** near Pacific City has been stocked with nearly 200 surplus summer steelhead from **Cedar Creek Hatchery**. In addition, 66 early run winter steelhead were released there on Jan. 11. **Nehalem Hatchery** released 200 surplus winter steelhead into **Vernonia pond**, 57 into **Lost Lake** and 60 into **Lake Lytle**. These fish get fairly active in the lake and offer a unique fishing experience, especially when the rivers are blown out. Once in the lake they are considered "trout" and do not require a Combined Angling Tag.

Anglers are reminded, however, that only one trout per day over 20 inches may be retained, and these fish will almost all be in that size range.

The 2017 trout stocking schedule is available online.

MID COAST LAKES:

Mid coast lakes have been stocked and are fishing well. The 2017 trout stocking schedule is available online.

ALSEA RIVER AND BAY: Steelhead

Steelhead fishing is open on the Alsea River and listed tributaries until April 30. Casting spinners, drifting bait or using a bobber and jig can be effective.

SALMON RIVER: Steelhead

The Salmon River closed for wild and hatchery steelhead on March 31 to protect spawning wild steelhead

SILETZ RIVER: Steelhead, Chinook

The Siletz River is open for wild Chinook (1 per
