Community 'Taco Feed' raises funds for Jose Dela Mora Scholarship

PHOTO BY FIRST LAST/SIUSLAW NEWS

Rosa Dela Mora, left, prepares ingredients for the 'Taco Feed' fundraiser held Sunday April 23, to raise money for a scholarship fund in the name of her son, Jose Dela Mora. The community responded by donating money and by purchasing hundreds of tacos.

FLORENCE ORGANIZES TO HOST PUBLIC SAFETY MEETING

The human rights team of Florence Organizes (FOR) a nonpartisan all-inclusive group dedicated to protecting human rights for everyone of all genders, ages, races, cultures, political affiliations and backgrounds will be meeting with a representative of the Florence Police Department to answer questions concerning citizen protections, the public safety plan and policies concerning vulnerable populations. The meeting will be held Friday, April 28, at 3 p.m., in the Bromley Room of the Siuslaw Public Library. The public is invited to attend.

Peoples' Climate March set for Saturday in Florence

Florence's way of life is dependent upon the well being of the forests, river, lakes and ocean that surrounds it. The community is invited to show its support for clean air, pure water, responsible forestry and a healthy ocean during the Peoples' Climate March on Saturday, April 25, at 10:30 a.m. The march will gather in the parking lot of Old School Furniture on Highway 101. Park in the Florence Events Center overflow parking lot. The Marchers will walk north on Highway 101 to the four corners at Highway 126, where the group will spread out and wave signs. There will be two cars to help transport those who need physical assistance.

Mapleton schools awarded 2.9 million dollar grant

Mapleton School District has received \$2.9 million in grant funding from Business Oregon to rehabilitate Mapleton Elementary School and Mapleton High School to better prepare and withstand a major earthquake. Business Oregon, the state's economic development agency awarded 100 grants totaling \$125,000,000 to Oregon schools and colleges. Other Lane County districts included in this round of granting were Junction City School District (Oaklea Middle School \$1,499,565), Lowell School District (Lundy Elementary \$1,334,280) and South Lane (Lincoln Middle School \$2,164,130). Mapleton Elementary School received \$1,409,104 for retrofit projects including installing new shear walls, anchor bolts, roof sheathing and straps, and infilling the existing soft story. Mapleton High School received \$1,500,000 million for retrofit projects including installing new shear walls, anchor bolts, and removing the existing glass block windows. Blocking and additional edge nailing in the high school gymnasium will also increase the capacity of the existing unblocked diaphragm. Since passing a \$4 million general obligation bond in May 2016 (and receiving the matching \$4 million grant from the state of Oregon) Mapleton School District continued to seek additional funding. The seismic grant will allow the district to increase the scope of the planned bond projects to include costly seismic improvements. In addition to the seismic grant the district has also received \$75,000 in grant funds from USDA and ODE for other construction projects.
